

# K915

**AKG**  
by HARMAN

## Digital Wireless Home Headphones

Ergonomically designed  
volume control

## Wireless AKG sound for unimpaired listening pleasure

The new AKG K915 wireless headphones are the perfect complement to your home audio system. Your music, movies, and games come alive while you enjoy unrestrained freedom to move. Connect the transmitter base (which doubles as a custom-fitted charging cradle) to your home audio system or mobile device, and enjoy crystal-clear wireless audio from over 30 meters away. The K915 is a stylish, wireless headphone offering solid performance at an entry-level price point.
